GROUP ACCIDENT INSURANCE

Policy Series CA7700-MP

AC1^G

Do you know how much a trip to the emergency room could cost you?

An accident insurance plan provides benefits to help cover the costs associated with unexpected bills. You don't budget for accidents if you're like most people. When a Covered Accident occurs, the last thing on your mind is the charges that may be accumulating while you're at the emergency room, including:

- The ambulance ride
- Use of the emergency room
- Surgery and anesthesia
- Stitches
- Casts
- Wheelchairs
- Crutches
- Bandages

You get the picture. These costs add up—fast. You hope they never happen, but at some point you may take a trip to your local emergency room. If that time comes, wouldn't it be nice to have an insurance plan that pays benefits regardless of any other insurance you have? This group accident plan does just that.

FEATURES

- 24-hour coverage
- No limit on the number of claims
- Pays regardless of any other insurance plans you may have
- Benefits available for your Spouse and/or Dependent Children
- Benefits for both inpatient and outpatient treatment of Covered Accidents
- Guaranteed issue (No underwriting is required to qualify for coverage.)
- Payroll deduction (Premiums are paid by convenient payroll deduction.)
- Portable coverage (You can continue coverage when you leave employment; see back of brochure for guidelines.)

PRE-EXISTING CONDITION LIMITATION

We will not pay benefits for a loss that is caused by, that is contributed to, or that results from a Pre-Existing Condition for 12 months after the Effective Date of your certificate and attached riders, as applicable.

Pre-Existing Condition means within the 12-month period prior to the Effective Date of a certificate and attached riders, as applicable: (1) those conditions for which medical advice or treatment was received or recommended, or (2) the existence of symptoms that would cause an ordinarily prudent person to seek diagnosis, care, or treatment.

A claim for benefits for loss starting after 12 months from the Effective Date of a certificate and attached riders will not be reduced or denied on the grounds that it is caused by a Pre-Existing Condition.

Treatment means consultation, care, or services provided by a physician, including diagnostic measures, and taking prescribed drugs and medicines.

A certificate may have been issued as a replacement for a certificate previously issued under the plan. If so, then the Pre-Existing Condition Limitation provision of the certificate applies only to any increase in benefits over the prior certificate. Any remaining period of the Pre-Existing Condition Limitation of the prior certificate will continue to apply to the prior level of benefits.

You and Your refer to an employee as defined in the plan.

Spouse means the person married to you on the Effective Date of the rider.

The rider may only be issued to your Spouse if your Spouse is between ages 18 and 64, inclusive. Coverage on your Spouse terminates when your Spouse attains age 70.

Dependent Children Means your natural children, stepchildren, legally adopted children or children placed for adoption, who are younger than age 26.

Your natural children born after the Effective Date of this rider will be covered from the moment of live birth. No notice or additional premium is required.

Children for whom a decree of adoption has been entered by you and/or your Spouse (or for whom adoption proceedings have been instituted by you and/or your Spouse), shall be covered automatically from birth. A decree of adoption must be entered within one year from the date proceedings were instituted, unless extended by order of the court, and you and/or your Spouse must continue to have custody pursuant to the decree of the court.

However, if any child is incapable of self-sustaining employment due to mental retardation or physical handicap and is dependent on a parent(s) for support, the above age of twenty-six (26) shall not apply. Proof of such incapacity and dependency must be furnished to the company within thirty-one (31) days following such 26th birthday.

PORTABLE COVERAGE

When coverage would otherwise terminate because the employee ends employment with the employer, coverage may be continued. The employee will continue the coverage that is in force on the date employment ends, including dependent coverage then in effect.

The employee will be allowed to continue the coverage until the earlier of the date the employee fails to pay the required premium or the date the group master policy is terminated. Coverage may not be continued if the employee fails to pay any required premium, the insured attains age 70, or the group master policy terminates.

TERMINATION

Insurance for an insured employee will terminate on the earliest of: (1) the date the master policy is terminated, (2) the 31st day after the premium due date if the required premium has not been paid, (3) the date the employee ceases to meet the definition of an employee as defined in the master policy, (4) the premium due date which falls on or first follows the employee's 70th birthday, or (5) the date the employee is no longer a member of the class eligible.

Insurance for an insured Spouse or Dependent Child will terminate the earliest of: (1) the date the plan is terminated; (2) the date the Spouse or Dependent Child ceases to be a dependent; (3) the premium due date following the date we receive your written request to terminate coverage for your Spouse and/or all Dependent Children.

EFFECTIVE DATE

The **Effective Date** for an employee is as follows: (1) An employee's insurance will be effective on the date shown on the Certificate Schedule, provided the employee is then actively at work. (2) If an employee is not actively at work on the date coverage would otherwise become effective, the Effective Date of his or her coverage will be the date on which such employee is first thereafter actively at work.
